- Humane Society Suply Drive: April 12 - 22** <-- For any newbies who don't know, some of the Biology faculty take pity on us and will give a point or two extra towards a quiz or homework grade if you donate to the supply drive, even something as simple as paper towels is appreciated.

- Pie-A-Professor: April 1** <-- We will need a lot of volunteers for this event, if you would like to participate, be planning for this a little ahead of time and please notify me with your name and what time period you'd like to be there for. We have yet to determine a time for the event so that information will come as we get closer to April.

3. A new "Participation Point" system has been established for the club, members will gain a point for every meeting and event that they attend and there will be prizes at the end of the semester for those with significant amounts of points.
