

Meeting minutes.

1. Club dues (\$10) for the year are due, and can be dropped off in Dr. Barbeau's mailbox in a sealed envelope. Inside include your name and say "club dues".
2. Many thanks to Kathy McCoy and "Peace" for visiting the club and talking about what is involved in raising a puppy for possible service dog training. Peace was adorable, and I'm sure almost all of us got to pet her since she walked all around the room saying hi.
3. We still need an activity or guest speaker for the next meeting, Tues Oct 11th. Annalena Griffin, club VP is looking into hosting us for a herp trip to the [Freshwater Ecology Center](#) for that date. So, we're waiting to see if we can do that. If so, I'll send out an email to the club letting you know how to get there, and when we plan on meeting.

4. Holly Sellers, of Black Creek Wildlife Center has tentatively agreed to come visit us on Tuesday Nov 1st, and bring some of her wildlife ambassadors! This will be a fun visit, and Holly is a wonderful educator, veterinary technician, and wildlife rehabilitator. You can check them out on [facebook](#), or in this [video](#) from the Pre-Vet Club facebook page when they last visited us.

5. ~~Reminder about the Zoom meeting for Wed Oct 5th at 6pm with MaryAnn Gomez, Associate Director Of Admissions at Ross University Vet School. I will send out an email reminder, and the Zoom link, as we get close to that date.~~

Update (10/3/22): We had to cancel this zoom meeting because Dr. Gomez's parents had damage to their home from hurricane Ian. I'll notify the club if/when we reschedule.

6. Remaining Club meetings dates/time for semester. Tuesdays at 4pm in LSF 202.

- > Tues Oct 11th
- > Tues Nov 1 – visit from BCWC
- > Tues Nov 29 - last meeting, and chance to plan for Pause 4 Paws the Friday of that week. Also, we will have a guest speaker: Brook Locklear (FMU graduate who just finished her first semester of vet school).
