

Minutes of the Pre-Vet Club Meeting (Thu Sep 16, 2018 4:45pm in LSF 202) 28 members present

This past Thursday was the first meeting of the fall semester for the Pre-vet club, during which we discussed the following activities and times:

- **Club yearly dues \$10 are due by Sep 28th** and can be submitted to one of the club officers (Desiree Jones (Pres), Tyler Wright (VP), Kendall Berry and Bre'Anah Davis (Secretaries) or Dr. Barbeau. These dues help fund club activities and go towards new club T-shirts. (If you are artistically-capable, we would LOVE submissions for new t-shirt designs!) Here was the 2017 t-shirt logo (student-designed)

- **Next club meeting is Thur Sep 27th at 4:45pm in LSF 202.** We will have a guest speaker! Ms. Kathy McCoy and her service/companion puppy-in-training “Edna” will come to talk with us about training dogs for Companion Animal and Service Dogs. (I’ve med Edna – she’s adorable!)

Special Guests! Kathy McCoy and Edna

At this meeting we will know who our next guest speaker will be. We have several options:

- > Kayla Wilson on the **Campus Cat Colony Care (C⁴)** volunteer opportunity (Click [HERE](#) for flyer)
 - > Tyler Wright – reptile talk?
 - > Joanne Ludwick, Narrow Way Ranch, Pet therapist (with special animal guests) - *We still have to contact her.*
 - > Dr. Marita Anderson, DVM, Westside Animal Hosp. (Exotics vet w/animal guests) – *We still need to contact her*
 - > Nicole Poston, DVM & FMU alumna, Kingstree Animal Hosp. – talk about vet school & being a vet
- We are collaborating with the Bio, Chem, and Green Clubs on the **Can Collection Drive for the Darlington County Humane Society’s Bridge Program**. **We need cardboard boxes**, so if you’ve got them, contact club officers about decorating them with flyers, lining w/plastic, and dropping off at different campus locations. We should get these boxes out there by Fri Sep 28th! Click [HERE](#) to see flyer. (Email contacts for these officers is on the [Pre-Vet Club Webpage](#))
 - We are holding our **Food Supply Drive for the Florence Area Humane Society** this semester, for which we need help putting flyers on boxes & distributing boxes around campus (Click [HERE](#) to see the flyer, and which locations we need volunteers for to place boxes.)
 - **We are collaborating with the ACS (Chem Club) for the Mole Day Fundraiser for the Darlington County Humane Society Bridge Program for TUES OCT 23rd!** We need many volunteers to get people involved. The Mole (someone dressed up in a big suit) tries to get students & faculty to take pictures with him/her for \$1 a person. Contact Club officers if you can help. Flyer will be posted on Pre-Vet website soon!
 - **FMU needs your help!** We need volunteers (esp. on-campus members) to help with the **Campus Cat Colony Care (C⁴)** – they need people to make sure food/water bowls are full every day. Contact Dr. Barbeau or club officers. Click [HERE](#) for flyer with more info.
 - **Start thinking about what other activities for fun that we want to do:** Zoo trip, kayaking trip, other things? Bring these ideas to the Sep 27th meeting.
